## JOINT RESOLUTION

Submitting to the qualified voters of Missouri, an amendment to article IV of the Constitution of Missouri relating to the distribution of general revenue funds to the various transportation funds.

---

---

*Be it resolved by the Senate, the House of Representatives concurring therein:*

That at the next general election to be held in the state of Missouri, on  
2 Tuesday next following the first Monday in November, 2008, or at a special  
3 election to be called by the governor for that purpose, there is hereby submitted  
4 to the qualified voters of this state, for adoption or rejection, the following  
5 amendment to article IV of the Constitution of the state of Missouri:

Section A. Article IV, Constitution of Missouri, is amended by adding  
2 thereto one new section, to be known as section 30(f), to read as follows:

**Section 30(f). 1. Beginning July 1, 2009, ten percent of the  
2 amount of net general revenue growth occurring between fiscal year  
3 2008 and fiscal year 2009 shall be transferred to the state road fund and  
4 the state transportation fund, with the state road fund receiving ninety-  
5 five percent of such amount and the state transportation fund receiving  
6 five percent of such amount. Any amount transferred to the state road  
7 fund shall stand appropriated without legislative action.**

8 **2. Beginning July 1, 2010, and the beginning of each fiscal year  
9 thereafter, the state treasurer shall determine the amount to be  
10 transferred to the credit of the state road fund and the state  
11 transportation fund in each fiscal year by computing the amount of net  
12 general revenue collected in the prior fiscal year and comparing such  
13 amount to the amount of net general revenue collected in the 2008  
14 fiscal year. After determining the amount of net general revenue  
15 growth, an amount equal to ten percent of the increase computed under**

16 this section shall be transferred by the state treasurer to the credit of  
17 the state road fund and the state transportation fund, with the state  
18 road fund receiving ninety-five percent of such amount and the state  
19 transportation fund receiving five percent of such amount.

20 3. The moneys apportioned or distributed under this section to  
21 the state road fund and the state transportation fund shall not be  
22 included within the definition of "total state revenues" as that term is  
23 used in section 17 of article X of this constitution nor be considered as  
24 an "expense of state government" as that term is used in section 20 of  
25 article X of this constitution.
